U.S. BANK VOYAGER FLEET SYSTEMS ADDS BOYETT PETROLEUM TO ITS GROWING CHANNEL PARTNER PROGRAM

HOUSTON and MODESTO, Calif. (Jan. 14, 2010) – U.S. Bank Voyager Fleet Systems Inc., a leading provider of universal fleet fueling and maintenance cards, is expanding its Voyager Channel Partner Program with the addition of Boyett Petroleum.

Modesto, Calif.-based Boyett Petroleum, the latest Voyager Channel Partner to date, will begin issuing co-branded *Cruise Americard* fleet cards for its customers in the central San Joaquin Valley region of California. The *Cruise Americard* cards tie into Boyett's retail branding at its Cruiser convenience stores, and allows automotive fleet customers to use the cards at any of the 230,000 Voyager fuel and maintenance acceptance locations throughout the United States. The *Cruise Americard* fleet cards will also be accepted at all of Boyett Petroleum's cardlock locations.

"Boyett Petroleum is excited about the opportunity to offer our fleet customers a more comprehensive fuel management system. We look forward to growing the Cruise Americard thru our new Voyager Channel Partnership," said Dale Boyett, president, Boyett Petroleum.

The Voyager Channel Partner Program allows participants to generate revenue based on monthly fuel volume purchased with the co-branded Voyager fleet card at domestic and remote locations. Additionally, Channel Partners also generate revenue based on non-fuel related charges made by cardholders, including maintenance, roadside assistance, fleet driver training and more.

"U.S. Bank has seen strong growth this year in this program and we are pleased to add Boyett Petroleum, a leading petroleum distributor/retailer, to our list of Channel Partners," said Jeffrey A. Rankin, senior sales and marketing officer, U.S. Bank Corporate Payment Systems. "U.S. Bank remains firmly committed to our Voyager Channel Partner Program and is excited about the positive response we have been getting from the jobber market about this opportunity."

About Boyett Petroleum

Boyett Petroleum, a family business headquartered in Modesto, Calif., currently owns and operates 36 retail gasoline stations under the Boyett Petroleum, Kwik Serv and Valero brands. Boyett Petroleum supplies ARCO, 76, Valero and Shell branded gasoline and diesel products to branded service stations. The company also supplies unbranded gasoline and diesel fuel to hundreds of service stations, agricultural and commercial customers. Boyett Petroleum is a franchisee of the Pacific Pride Fueling Network, providing the fleet fueling needs for over 1000 business customers. The company also operates Cruisers convenience stores. Carl Boyett currently serves as president of the Society of Independent Gasoline Marketers of America (SIGMA), the fueling industries national trade organization.
